Tel Aviv University

Call for MSc, MPH, PhD and Post- doctoral Scholarships 2024-2025

Aufzien Family Center for the Prevention and Treatment of Parkinson's Disease Call for MSc, MPH, PhD and Post-doctoral Scholarships

We are pleased to announce a call for 50% level **MSc, PhD, MPH and Post-doctoral Scholarships** (75% for new PhD students) from the *Aufzien Family Center for the Prevention and Treatment of Parkinson's Disease* (APPD) at Tel Aviv University. **APPD** will provide scholarships to outstanding students and post-docs undertaking research in fields related to mechanisms, diagnosis, treatment and prevention of **Parkinson's Disease**. Awards to begin October 1, 2024.

Eligibility

- The student or post-doc must dedicate maximum time and energy to their studies and research of Parkinson's Disease.
- Grades from BSc, MSc, or PhD - minimum GPA of 85 and a thesis grade of 90 or above
- Recommendation by the MSc, PhD, or Post-doc advisor required
- Commitment of the Advisor to assist in funding, up to 150% scholarship
- Full time Tel Aviv University student or post-doc
- Only one applicant from each lab will be considered.

Application process

- Students/post-docs who meet the criteria above are requested to [submit](#) an **Application form** in PDF form, and signed by their Advisor. Advisor should email letter of recommendation SEPARATELY to kersha@tauex.tau.ac.il. The request should include the Advisor's approval for his/her commitment to funding as stated above.

DEADLINE: July 31, 2024

Rules and regulations

- Scholarships will be given according to the significance of the project proposed regarding the published aims of the APPD. See https://en-med.tau.ac.il/Aufzien_Center_TAU
- Scholarships are awarded for the period October 1, 2024 - September 30, 2025
- The student/post-doc will be named an "Aufzien Family Fellow" on all publications, with acknowledgement to the "Aufzien Family Center for the Prevention and Treatment of Parkinson's Disease" in any advertisements, publications, publicity notice or public comment (where permitted) resulting from or related to the project.
- The funded student/post-doc will attend APPD lectures and conferences and will present research when requested.
- Recipients will provide an annual research report.
- APPD Grant recipients for \$ 50,000 or \$100,000 grants beginning Oct 1, 2024 are not eligible for these scholarships. If both awarded, one will need to be declined.
- The conditions for receiving scholarships are set annually in accordance with the policies of the Scholarship Committee and Tel Aviv University and do not constitute a precedent or basis for future scholarships.

Scholarship Committee: Dr. Keren Shatzman, Grants Administrator, APPD, Prof. Nir Giladi, Co-Director, APPD, Prof. Dan Peer, Vice President for Research & Development
